The PANTHER HAWK...

- ✓ Fits in Standard Pickup Truck Beds!
- ✓ Fits in Elevators Without Disassembly!
- ✓ Comes with a Standard Brake System!
- ✓ Has 4 Hoisting Rings for Easy Lifting to Roof!
- ✓ Handles Fall Arrest for 1 AND Fall Restraint for 2!!

3 Man

» **Easy to Use!**
Simply roll The Hawk where you want it - No extra dolley, no weights to take off to move, and no back-breaking heavy lifting every time you re-position.

» **On-board Tool and Equipment Storage!**
The Hawk has storage for your tools and equipment that the others don't.

» **Great Ground Clearance!**
The Hawk rolls along easily on it's 4 Care Free tires. Other fall protection carts sit on the ground and can damage or penetrate the substrate.

» **Easy To Hoist!**
The Hawk has 4 heavy-duty hoisting rings and it breaks down easily. The largest part weighs only 153 lbs. - Easily hand hoisted or hand carried.

The ALL-IN-ONE™ Railing System

With this system we can ensure you that installation time will be dramatically shorter than any system you are currently using. Your employees will be able to increase productivity by removing the worry of falling knowing that they are working safely. The AN1 weighs 24lbs per upright and stores compactly within itself. To add to the benefits, pre-assembled kits for this system can be purchased in a 200' and a 400' package.
